Enhancing the Educational Experience

Queensland

LEAQ is pleased to announce our next face to face event at the new Trinity Centre at St Rita's College Clayfield.

Featuring the Great Debate, where students will go head to head on the topic "What comes first, The Building or the Pedagogy?" The debate will be followed by a tour of the new Trinity Centre building. The design of this building highlights the College's proud heritage, employing the words NANO and RITA into an architectural style that reflects St Rita's distinctive charm. It is an important landmark in today's modern and global educational landscape, bringing together under one roof many existing programs and giving greater efficiency to our well-rounded educational experience.

Please join us.

Ticket Price: \$ 35 (Members) \$60 (Non-members) Date: Tuesday 31 May 2022
