

GLENORCHY PRIMARY SCHOOL

SITE VISIT - 3 PM . 10TH APRIL 2019

Learning Environments Australasia and the Department of Education invite you on a site visit to Glenorchy Primary School to continue the journey of exploring contemporary learning environments in Tasmania.

Join us and find out how Glenorchy Primary School is transforming education models. Guiding principles for the redevelopment of Glenorchy Primary School included:

- Promoting a sense of community within the diverse school population
- A design that supported the schools emerging innovative educational approach of enquiry based learning with team teaching
- Transforming a hard bituminous dominated environment into a welcoming natural one
- A purpose built special needs and therapy area

Tour the school and learn from school leaders and the architect about the approach taken to these principles and the success of the outcome
