# WORKSHOP – POST BOOM!

Learning Environments Australasia (WA Chapter) is pleased to invite you to our Biennial Workshop.

Following on from our successful "Post Boom" 2016 Symposium, and in the spirit of the documentary film "Most Likely to Succeed", participants will spend the afternoon in groups (a mix of school students, educators and designers) designing a project exploring alternatives to conventional ATAR subject-based learning. How about some creativity, entrepreneurship and use of emotional intelligence for the science, technology, engineering and maths curriculum? Or perhaps a little analytical, measurable and critical thinking for the areas of art, drama, music and design? Each table will conclude the afternoon with a 5 minute presentation of their project using images, music and video which they will be encouraged to share via social media.

**DATE** Friday 12th May 2017 **TIME** 12:30 – 5.00pm **VENUE** FORM – The Goods Shed
Cnr Shenton Rd & Claremont Cr.
(next to Claremont Station)
