movie at the backlot cinema  
followed by drinks and nibbles  
and a meeting/

members: no-charge  
non-members: \$15

image: backlot Cinema:  
//21 Simpson St, West Perth WA 6005//

New School tells the story of three remarkable Australian schools engaged in shifting from an industrial education paradigm. Their vision places students at the centre of learning to prepare them for a dynamic and changing world. New School provides examples of programs and spaces that activate deep learning, inquiry and agency. It is a compelling story asking, if you could build a new school, what would it look like?
