

The aim of the LENSW Scholarships is to provide a NSW early career designer and educator (new to leadership) the opportunity to engage in professional learning, by offering financial support to attend the Learning Environments Australasia Annual Conference.

**The Scholarship is to provide financial support including conference registration, economy airfares (up to \$1,000), three nights' accommodation (up to \$200 per night) and LEA membership for one year. Total value of up to \$2,500.**

After the conference, the recipient is to provide a 300-500 word article (and images) about their experiences related to their area of expertise. This article will be posted on the LEA website (<https://learningenvironments.org.au>). The recipients will also work with the NSW Chapter to present their experiences to Chapter members through a webinar post conference.

#### **INFORMATION TO BE PROVIDED BY APPLICANT**

questions and submissions

**APPLICATIONS CLOSE February 23<sup>rd</sup>, 2024**

email [NSW@learningenvironments.org.au](mailto:NSW@learningenvironments.org.au)

Applicants are required to demonstrate their desire to learn and facilitate learning of colleagues on their return, through the experience afforded to them by LENSW.

Please address the following in your Expression of Interest:

- A summary of your professional journey to date. (Your qualifications, experiences, and areas of interest)
- Your current context and role.
- A brief testimonial of the contributions that you have made to your field to date.
- Annotated Professional Learning undertaken over the past 3 years.
- How the experience of attending the conference will positively impact your work in the future.
- How you will transfer your learning to your organization.
- A brief letter of support from your line supervisor.
